

Want to improve the quality of life in your community?

Now is your chance! We are working to gain insight into what you—**the community members**—think is most important for our overall health.

Join the final Community Workshop where we will pick our priorities!

When: November 17, 2015, 9:00 am-12:00 pm EST

Where: Florida Department of Health in Gulf County

139 12th Street, Apalachicola, FL 32320

RSVP to Deanna Simmons, 850-591-9386 or Deanna.Simmons@flhealth.gov

This invitation is brought to you by the
Gulf County Community Health Improvement Partners.
Our vision is to be the healthiest county in the nation.
