

Mission:

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Ron DeSantis
Governor

Scott A. Rivkees, MD
State Surgeon General

Vision: To be the Healthiest State in the Nation

**Looking for a COVID-19 vaccine in Franklin or Gulf?
Your Healthcare system has you covered.**

Your local Department of Health (DOH) and other medical providers continue to offer the COVID-19 vaccine. If you would like to schedule with the health department, please call DOH-Franklin at (850)653-2111 or DOH-Gulf at (850)227-1276. COVID-19 vaccines are also available through Weems Memorial Hospital, Ascension Sacred Heart Gulf, PanCare of Florida, Inc., North Florida Medical Center and some local pharmacy locations, including CVS and Buyrite.

**How well are Franklin and Gulf doing with vaccination efforts?
Let's do a quick break down of age populations.**

In Franklin County, 45% of the population is age 50 or older. Of that 50 or older population, 61% have received the COVID-19 vaccine.

(Franklin population: 12,295 | Age 50 & older: 5,578 | Number of those age 50 & older with vaccine: 3,383)

In Gulf County, 50% of the population is age 50 or older. Of that 50 or older population, 52% have received the COVID-19 vaccine.

(Gulf population: 14,829 | Age 50 & older: 7,373 | Number of those age 50 & older with vaccine: 3,814)

We want to continue to increase our vaccine numbers to protect our vulnerable populations.

For questions about COVID-19 vaccines, talk to your medical provider. You can also call the health department to ask our clinical team questions. We are here for you!

Positivity Data:

State positivity = 5%

Franklin County positivity for April 23-May 6 = 6% (13 positive cases out of 218 total tests)

Gulf County positivity for April 23-May 6 = 6% (21 cases out of 359 total tests).
