WHO/WHAT: In observance of the Great American Smokeout, sponsored by the American Cancer Society, Tobacco Free Florida, Tobacco Free Franklin Partnership Coalition, and Department of Health in Franklin County encourage tobacco users to use the day to make a quit plan or to plan in advance to quit smoking on that date – Nov. 17.

The “Quit Your Way” program provides users interested in quitting access to free tools, including a 2-Week Starter Kit of nicotine replacement patches, Text2Quit, Email Tips and a Quit Guide. They can choose as many as they need or use them in addition to Tobacco Free Florida’s Phone, Group and Web Quit services.

WHY: This is to educate and bring awareness to smokers on the health benefits and added years to their lives if they quit smoking. Quit Your Way Smoking information stations will be set up at some of our local businesses, schools, and organizations in Franklin County that day. Department of Health in Franklin County will also provide more details about the quit services and how tobacco users may enroll.
